Call to Order: At 6:53 P.M. by Chairman Kerber

Roll Call: All present but Tom Richmond

Approved Agenda: For February 22, 2010, as written, with attached FOIA request, from Patrick Roys. All Ayes

Approved Minutes: From February 8, 2010 meeting as written. All Ayes

Work Session: Members reviewed the new recommendations from Ken Dettloff, Township Planner, concerning our Wind Ordinance. His recommendations addressed, some of the concerns, voiced by the Citizens for Responsible Green Energy.

Members changed one item: page 5, #5, a., from a depth of 36 inches to a depth of 48 inches. They also added after “equipment” except at the request, or signed wavier of the ..landowner.

A tentative sound pressure on page3, a., was to be changed to 50 dBA at a structure and 55dBA at the property line. But was left for finalizing at our next meeting, March 8, 2010.

Unfinished Business: Review of Wind Ordinance

New Business: None

Adjourn: At 8:33 P.M., by Chairman Keber
