On Going Business: Outdoor Wood Burners were discussed again with no decision being determined. Kerber will contact the Planner for more information.

Discussion of Public Comment: After the Commission discussed what Public Comment was & wasn't, the floor was opened to the Public for their input. There is still a great difference of opinion between the two groups. The matter was tabled for the next meeting. Although it was determined we needed to have a formal procedure in our by-laws to keep our meetings under control.

Adjourned: At 8:03 P.M.

Karon Knobloch, Secretary
