

**Monterey Twp Planning Commission Meeting
Minutes UnApp
Monday Sept. 8, 2014, at 7:00 P.M.
At the Monterey Twp Hall**

Called to Order: At 7:00 P.M. By Knobloch as Steffen was a little late.

Roll Call: After Steffen arrived, all members were present.

Approved Agenda: For Sept. 8, 2014

Approved Minutes:
Minutes: From May 12, 2014 - A correction to the minutes was incorrectly approved (as discovered by Knobloch when she got home) and will have to be rescinded and reapproved correctly. This was due to the confusing dates of the Special Meeting on April 2 by Knobloch and other members.

Motion to Rescind: Moved by Steffen. Supported by Knobloch to rescind the approval of the May 12 Minutes -which were incorrectly approved at the Jul 14th meeting; and approve the minutes as were first written following the May 12th meeting. All ayes. Motion carried.

Approved Minutes from July 14, 2014: Moved by Black. Supported by Boeve to approve the Jul 14, 2014 minutes as corrected. (Special Meeting was Apr 2 not 7.)

Sup's up for Renewal: Six SUP's were up for renewal. Requests from three - Debra Smith, Kevin Brenner, & Langlois & Sons- were approved for five years. The three that did not respond to the inquires, are to be sent a "Assumed that the mining was completed" letter. They are to respond by Oct. 15, 2014.
Moved by Black. Supported by Boeve to approve the three renewal requests. All Ayes. Motion Carried.

Master Plan Survey: Black reported that the township board was still deciding weather or not to send a survey concerning emergency service areas. We may be able to add our question to that survey?

Discussion: Black reported that we will loose First Responders if the township goes with Allegan Fire Department.

Adjourned: 8: 20 P.M.

Karon Knobloch, Secretary
